

# JPL Stories

*Thursday,  
February 28,  
2002*

*4 PM to 5 PM*

*JPL Library,  
Customer  
Service Area,  
west end of  
Building 111  
Room 104*

## "We Few, We Happy Few"

*Presented by Steve Collins,  
DS1 Attitude Control Lead*

Now entertain conjuncture of a time  
When crafty engineers did overcome  
A crippling failure in the depths of space  
To ride a xenon beam around the sun  
And snatch an image of a comet's face.

Come hear a dramatic reading from the logbooks of DS1

*All Employees are welcome.*
