Close Encounters with Renowned Scientists including Dr. Richard Feynman and Dr. Stephen Hawking, and a Panoramic view of JPL projects

Presented by Dr. Peter T. Poon,
Telecommunications and Mission Systems Manager,
Interplanetary Network Directorate

Come hear Peter talk about his close encounters at Caltech and JPL with renowned scientists and famous personalities including Dr. Richard Feynman, Dr. Stephen Hawking, Dr. William Fowler, Dr. Freeman Dyson, former Prime Minister Margaret Thatcher, and Prince Charles. He will also share his exciting experiences of working on JPL projects for nearly 30 years from planetary probe atmospheric entry, Solar Thermal Power System, the Deep Space Network, European projects, Cassini-Huygens, to the missions to Mars.

All employees are welcome.
