

# JPL Stories

*Tuesday,  
October 20,  
2009*

*4:30-5:30 PM*

*JPL Library,  
Customer  
Service Area,  
west end of  
Building 111  
Room 104*

## Getting Galileo to the Launch Pad

*Presented by John Casani,  
Longtime JPLer and Galileo Project Manager*

Come hear about the history of the evolution of the project and the numerous hurdles in the form of reprogramming that plagued us during development.

*Everyone is welcome*
