## From Rockets to Rovers: The History of JPL Land Acquisitions

*Presented by: Gary Gray, Facilities Division Staff*

Everyone is  
Welcome

Questions?  
call 354-4200

Come hear the inside scoop about Gray's quest to uncover the mystery of JPL's land acquisitions. The lab moved to the Arroyo when Caltech decided experimenting with highly explosive chemicals did not belong on the Caltech campus. Ever wonder what was here before JPL? Or how JPL received the property rights to construct the buildings we work in, the roads we drive on, and the lots where we park?
